## **SULZBACHER CENTER PROVIDE COLD NIGHT SHELTER TO AREA HOMELESS**

**JACKSONVILLE, FL. ( February 25, 2016)** - With overnight temperatures expected to dip below 40 degrees during the next few days, the Sulzbacher Center will provide cold night shelter for the area's homeless. In addition to sheltering 360 homeless residents, the Center will open up temporary sleeping areas in dining rooms, providing sleeping pallettes and blankets for people in need of shelter over a cold night. Cold weather coats and jackets, donated by the community, will also be offered to individuals seeking shelter overnight.
